1. Chapter 1

I want you to imagine that you are either Natsu or Lucy.

Have you chosen yet?

If you chose Lucy, go to Chapter 2.

If you chose Natsu, stay here.

You walk into Fairy Tail, with tight black jeans and a white Rockenberg shirt. You have black rings under your eyes from staying up so late. When Gray sees you he mocks you for this. What do you do?

A: **Punch Gray cause you're in a bad mood.**

B: **Ignore his remarks and order a coffee from Mira.**

If you chose A, go to Chapter 3.

If you chose B, stay here.

You ignore Gray and walk past him. He notices that he's not getting to you and knows something's up. Snatching the coffee from Mira, you find an empty, isolated table in the very back of the room. Do you:

A: **Sit at the table.**

B: **Turn around and head home.**

If you chose A, stay here.

If you chose B, go to Chapter 5.

Erza walks over to you and asks you, "What's wrong?" You choose to ignore her. She pries further, trying to get anything out of you. You know that she will not give up until you say something. What do you say?

A: **"I'm really tired. Just don't feel like talking, that's all. I'm heading to the bookstore to find something to readâ€¦See ya later."**

B: **Don't say anything. Dump your coffee on Erza's head.**

If you chose A, stay here.

If you chose B, go to Chapter 7.

Erza is taken aback by the fact you are going to the bookstore, but doesn't say anything else. She turns around and heads over to her table with Gray and Wendy. Erza says something, and Gray and Wendy look over to you with a concerned expression. You are annoyed. What do you do?

A: **Ignore this, and go to the bookstore.**

B: **Ignore this, and go to Lucy's house.**

If you chose A, stay here.

If you chose B, go to Chapter 8.

The bookstore was absolutely huge. There were so many books, but you knew you would never read one. You stroll through the aisles, passing time by staring at interesting books, and you end up bumping into Lucy. You notice she looks especially nice today, but you are too shy to say so. She looks happy to see you at first, but she then notices the rings under your eyes, and her smile turned into concern. Do you:

A: **Explain everything.**

B: **Lie to her.**

If you chose A, stay here.

If you chose B, go to Chapter 9.

You explain how Lisanna broke up with you last night, and you were up till about 3 am sobbing, ripping up and destroying everything she ever gave you. Lucy looked at you with her big brown eyes and listened intently. When you were finished, she gave you a hug. Do you:

A: **Thank her for listening**.

B: **Ask her out**.

If you chose A, go to Chapter 11.

If you chose B, stay here.

You ask her out. She hesitates for a moment, but she says yes. You kiss her.

The End

2. Chapter 2

You are home, inside. You are wondering whether you should go to the guild, or take a lazy day. Do you take a lazy day?

A: **Yes**

B: **No**

If you chose A, stay here.

If you chose B, go to Chapter 4.

You want to take a lazy day, but you ran out of books to read. You decide to go to the bookstore, to pick something up for you, and Levy. You considered hanging out with Natsu today, as well. You called him, but he didn't pick up. You texted him, but he didn't respond. What do you do?

A: **Go to his house and see what's up.**

B: **Ignore this and head to the bookstore.**

If you chose A, go to Chapter 6.

If you chose B, stay here.

You put your hair up in a messy bun, and ride your bike to the Bookstore. Upon arrival, you park your bike at the bike rack and head inside. In the Science Fiction aisle, you bump into Natsu. AT first, you are shocked to see him in a bookstore, but then you see his eyes. They are red and puffy, with black rings underneath. What do you do?

B: Ask him what happened

If you chose A, go to Chapter 8.

If you chose B, stay here.

You take him outside to a nearby bench. You ask him what happened. He almost cried as he explained how Lisanna broke up with him yesterday, and he was up until about 3 am playing breakup music and crying. You:

A: Give him a hug

B: Kiss him

If you chose A, stay here.
